

School Health Advisory Committee

March 25, 2021

Members present- Joslyn Wilson, Dawn Schneider, Kelly Runyan, Paul Flores, Kellie Jopling

- Meeting began @ 4:011
- Minutes from November meeting were reviewed.
- Self-Assessment was presented. Members can email or pony the assessment to Joslyn when complete.
- District nurses are reviewing the 'stay home' protocols for all illnesses.
- Campus Needs – committee discussed holding a “Water Challenge” to encourage kids to drink more water. Points discussed – contest between classes; 90 second water break (like in athletics); reminders each hour by teachers; how would this be monitored.
- Media Campaign for 2021-2022 – The importance of drinking water and When to keep an ill child home
- Health Fair – hosting options with National Night Out or in conjunction with the nursing home activities in August.
- Next meeting date – tentative May 12
- Adjourned at 4:43
