

School Health Advisory Committee

November 11, 2020

Members present- Britny Stricker, Dawn Schneider, Joseph Yates, Kelly Runyan, Paul Flores, Kellie Jopling

- Meeting began @ 4:07
- Minutes from February 12, 2020 meeting were reviewed but not approved since not enough members were present.
- Annual School Board Report on SHAC and Health Services - limited information to report since we were unable to have the health fair this year. SHAC members for the 2020-2021 and 2021-2022 school year will be presented for approval by the board. Britny reviewed the information that she will present to the board.
- Due to COVID, the SHAC was only able to meet 3 times during the 2019-2020 school year.
- Held a flu shot clinic in October - 60 people came in and received immunizations.
- Nurses are currently working on vision and hearing screenings for kindergarten, first, third, fifth, and seventh graders.
- Wellness Plan - is a working document. Action steps can be updated throughout the year as the needs of the campus changes.
- Next meeting will be determined by the new SHAC chair.
